PROFESSIONAL EXPERIENCE

2005 to Present TEAM Consulting

Principal Consultant

Started my own business as an independent contractor to teach more, write workshops and courses and to do consulting work.

1992 – 2005: County Appraiser of Jefferson County, Oskaloosa, Kansas.

Responsible for all aspects of the Appraiser's Office consisting of 14,500 parcels of real property and 5,500 personal property renditions. I accepted this position with the county being out of state compliance. We proceeded to train staff and generally conducted a complete revaluation for January 1, 1994. Since that revaluation, Jefferson County continues to annually be in state compliance.

Developed and helped implement a technology update for the County. I chaired the Technology Team for three years and started and managed the GIS (Geography Information System) for the first two years. The technology updates included GIS, digital property images and document scanning.

1986 – 1992: Deputy Appraiser/Reappraisal Coordinator of Shawnee County, Topeka, Kansas.

My duties in this position consisted of day-to-day operations within the Appraiser's Office and supervision of the first reappraisal in Shawnee County in 20 years. Responsibilities in the reappraisal project included supervision of the reappraisal and mapping contractors, the County's in-house map editing process,

implementation and management of GIS for over one year, plus staff training and development. Shawnee County contained approximately 67,000 parcels.

1981- 1986: **Nodaway County Assessor, Maryville, Missouri.**
